"Untitled -- the best fair in Miami Beach"

Contributed by guest correspondent [Sharon Loudon](#) / Today, I ventured out to [Untitled](#), a curated art fair which I believe is by far the leading art fair in Miami Beach. Each year the quality of the work is high and the viewing, from the lighting to the selection of galleries and the work that they show, is the best. Here are some highlights.

Hope Gangloff, *Studio X*, 2015, acrylic on wood panel, 48 x72 inches and *Syrette*, 2014, acrylic/linen on wood panel, 10 x 14 inches at [Susan Inglett Gallery](#). Twitter: [@Inglett Gallery](#).
