

Quinn, Bryony, "Benjamin Degen," ITS NICE THAT, 5 December 2011.

It's Nice That

CHAMPIONING CREATIVITY ACROSS THE ART AND DESIGN WORLD

New York-based artist, Benjamin Degen creates dramatic, almost pointillist artworks. Composed by a build-up of intense mark-making and an impressionist's colour mentality, his subjects catch a perspective that sits on no one plane that your eye can fix on – at once flat yet with the sheer accumulation of colour, full of depth.
