IN THE AIR

Instagrams of the Art World: Back to School Edition

SEPTEMBER 11, 2015

It's that time again: a chill in the air, a graying of the light, a thousand gallery opening notifications in your inbox. Yes, fall is upon us once more — and maybe we're projecting, but it seems like Instagram has internalized the grim news. For example, above, we've got a detail of William Villalongo's "Summer," now on view at Susan Inglett Gallery, and already we're longing for that feeling of going rainbow boned in a forest of melty cassette tapes (as captured by Robin Cembalest, [rcembalest](#)).
