10 MUST-SEE ART SHOWS OPENING THIS WEEK

By Gary Pini, 25 October 2017

William Villalongo's "Keep on Pushing," featuring new works of cut-paper and paintings, opens on October 26, 6 to 8 p.m., at [Susan Inglett Gallery](#) (522 West 24th Street). The NJ-born artist "re-imagines the black male figure... while conjuring spaces of sensuality, humor and history." btw: The show's title refers to the 1970 Curtis Mayfield song.
